

# Health Assessment Matrix

HEALTH ASSESSMENT MATRIX	A	B	C	D1	D2	D3	D4	E	F	G	H	I	J	K	L	M	N	O	P	Q	R
 constructing <b>better</b> health IMPROVING WORKPLACE HEALTH	Pre-Placement Questionnaire	Pre-Placement Health Assessment/Medical	Safety Critical Workers - Fitness For Task Assessments	Statutory Medicals (Appointed Doctor)				Musculoskeletal Questionnaire/Assessment	Skin Health Check	Respiratory Health Check	Audiometry Health Check	Vibration Health Check	Blood Pressure	Urinalysis	Visual Acuity	Mid Range Acuity (DSE users)	Colour Vision	Biological Monitoring	Workplace Stress / Mental Health Assessment	Drug and Alcohol Screening (Company Policy)	General Health/Lifestyle
				Asbestos	Lead	Ionising Radiation	Compressed Air														
<b>SECTION 1: JOB ROLE/TASK</b>																					
ADMINISTRATOR (site)																					
ASBESTOS LICENSED WORKER			C																		
BRICKLAYER																					
CARPENTER/JOINER/SHOP FITTER																					
CONCRETE SPRAYER																					
CONSTRUCTION SITE OPERATIVE - GENERAL																					
CONSTRUCTION SITE OPERATIVE - SPECIALIST (risk assessment)																					
DIVER (refer to standards)			C																		
DEMOLITION OPERATIVE																					
ELECTRICIAN - FITTER/ENGINEER																					
FORM WORKER																					
GEOTECHNICAL			C																		
GLAZIER/GLASS FITTER/WINDOW INSTALLER																					
INDUSTRIAL CLEANER																					
LGV/HGV DRIVER			C																		
MARITIME OPERATIVE GENERAL (refer to standards)																					
MARITIME OPERATIVE SPECIALIST (refer to standards)			C																		
PAINTER/DECORATOR																					
PILING OPERATIVE																					
PIPE FITTER																					
PLANT OPERATOR - GENERAL			C																		
PLANT OPERATOR - CRANE DRIVER			C																		
PLANT OPERATOR - MOBILE MACHINE DRIVER			C																		
PLASTERER/DRY LINER																					
PLUMBER/GAS/HEATING/VENTILATION ENGINEER																					
PROFESSIONAL																					
ROAD CONSTRUCTION - ASPHALTER/PAVER																					
ROOFER - SLATER/THATCHER/TILER																					
SCAFFOLDER/RIGGER			C																		
SITE FOREMAN/SUPERVISOR																					
SITE MANAGER																					
SLINGER/SIGNALLER/BANKSMAN/TRAFFIC MARSHALL			C																		
STEEL ERECTOR STRUCTURAL/FABRICATOR			C																		
STEEPLEJACK			C																		
STONEMASON																					
TUNNEL BORING GANG			C																		
WALL TILER/FLOOR TILER																					
WELDER																					
<b>SECTION 2: HAZARDS TABLE</b>																					
ASBESTOS (short duration)																					
BIOLOGICAL																					
CEMENT/CONCRETE																					
CHEMICAL - RESPIRATORY (sensitisers)																					
CHEMICAL - SKIN (sensitisers)																					
COMPRESSED AIR																					
CONFINED SPACE			C																		
IONISING RADIATION																					
LEAD																					
LONE WORKING																					
MANUAL HANDLING																					
NOISE																					
NIGHT WORK (and annual assessment)																					
RAIL TRACKSIDE (refer to standards, PTS or equivalent)																					
ROADSIDE (high speed)			C																		
SILICA																					
TUNNELLING (Hyperbaric and/or confined space only)			C																		
VIBRATION																					
WORKING AT HEIGHT (control measures not practicable)			C																		
<b>SECTION 3: SAFETY CRITICAL WORKERS - All workers must be assessed for safety critical worker status</b>																					
HEALTH CHECKS INCLUDED IN ASSESSMENT																					
KEY TO CODING:																					

Prevention is better than cure.

This Matrix is not to be used in isolation, refer to the CBH Industry Standards for Workplace Health in UK Construction
