

**Don't  
forget**

**look after  
yourself!**

Put the **Health** back into **Health & Safety**

## **Don't become a statistic**

**Each year in construction:**

- 1.8 million working days lost due to work related illness
- 10% of bricklayers leave industry due to dermatitis
  - More people die from asbestos related disease than car accidents
  - Construction workers have the highest rate of Musculoskeletal Disorders
- 500 deaths from cancer caused by exposure to Silica
- 1 million in UK suffer deafness due to exposure to noise

**Prevention is better than cure**
